Is Your Car Keyless Locked? Don't Panic! There's a Solution As mentioned in a previous blog post, many criminals are becoming 'keyless keyless' – but there's a solution! You're at the grocery store, and suddenly you notice your car keys are missing. After racking your brain for several minutes, you realize that you must have left them at home. But then, it hits you! You know the house well enough to realize that you have a spare key lying around somewhere. You start opening and closing doors, trying to remember where you put it. You've lost valuable time, but you can't believe that someone would 82157476af
